IDAHO PUBLIC  
UTILITIES COMMISSION

AWW-W-13-01

Mr. and Mrs. Wahlin,

I appreciate you taking the time to give the Commission notice of your intention to form a non-profit business or water co-op. As you are aware, we've been eagerly awaiting your reply comments before submitting AWW-W-13-01 to the Commissioners for a final decision. You understand that this process cannot be delayed indefinitely based solely upon your stated intention. In order to discontinue this process and determine that Acme is no longer under the jurisdiction of the Idaho Public Utilities Commission, we need you to provide any and all relevant information regarding your stated intention to re-form your business as a NFP corporation or co-op and register with the Idaho Secretary of State as such.

Regards,

D. Neil Price

Dear Mr. Price,

After much consideration, we have come to the realization that it is futile to continue the effort to become a for profit water system. We plan to change to a not-for-profit or co-op status.

Sincerely,  
Joel and Leslie Wahlin
